
SPOTLESS SPACES

Customer Guidelines

Thank you for choosing Spotless Spaces to fulfill your home cleaning needs! These guidelines are designed to ensure a safe environment for our cleaners and establish clear expectations with our clients. By adhering to these, we can continue to provide exceptional cleaning services and maintain a sparkling home for you. Please review these guidelines before your first cleaning and feel free to contact us with any questions.

Preparing for Your Cleaning

To help us deliver the highest quality service:

- Ensure the home or apartment is completely empty of personal items, food, or furniture.
- Items left behind may require additional time to bag and discard, resulting in extra charges.

Technology and Communication

- You will receive:
 - An automated email reminder prior to your service
 - A reminder text the day before.
 - Text messages upon cleaner arrival and departure
- You can respond to emails, but text messages are one-way unless otherwise noted.
- A follow-up survey will be emailed after each cleaning to gather your feedback.

Payment Policy

- **Payment Methods:** No cash or checks. Services are billed to the card on file.
 - **Deposits:** A non-refundable 25% deposit is required at booking and applied to your final balance.
 - **Declined Payments:** Payment must be updated before service, or the appointment will be canceled, and a cancellation fee will be charged. This must be squared away 24 hours in advance of your cleaning to avoid fees.
 - **First-Time Cleaning:** 25% of the estimated service price is charged before arrival, and the remainder is charged post-cleaning.

SPOTLESS SPACES

Initial Cleaning Estimate

- The initial estimate is based on information provided over the phone.
- Technicians may require additional time due to unexpected conditions (e.g., higher dirt levels or trash left behind).
- You will be contacted one hour before completion if extra time is needed for approval. Otherwise, we will focus our efforts on completing the clean as best as we can with the remaining time that is allotted.

Working in Your Home

- Cleaners require a distraction-free environment.
- No contractors or outside workers are permitted during the cleaning.
- Cleaners reserve the right to leave if personal safety is at risk due to actions by clients, guests, or animals, with the client liable for the full service cost.
- Smoking around cleaners is not permitted.

Biohazard Policy

- Notify us of potential biohazards (e.g., mold, infestations, human or pet waste).
- Technicians cannot clean until documentation confirms the issue has been resolved.

Safety Standards

- Technicians use ladders up to three steps high.
- Heavy furniture and appliances must be moved before cleaning.

Service Timing

- Service hours are between 9:00 a.m. and 5:00 p.m.
- Arrival times are within a one-hour window of the estimate.

Entry Options

SPOTLESS SPACES
